Directory of Manitoba Agricultural Equipment Manufacturers and Related Expertise

Industry, Trade and Tourism
Trade Branch
Manitoba, Canada

January, 1990

91-00394/

This Directory provides product and contact information on upwards of 150 Manitoba companies/organizations presently involved in the agicultural industry; either in the equipment manufacturing sector or in an area of related professional expertise. Trade Branch has made every attempt to provide the most accurate information currently available.

This is only one in a series of Sectoral Directories being prepared by Trade Branch, Department of Industry, Trade and Tourism. Other Directories published by Trade Branch that may be of interest to you are The Manitoba Sourcing Directory, listing over 1,500 Manitoba manufacturers, and The Manitoba Export Directory, which lists Manitoba manufacturers presently exporting.

If you have any comments or suggestions concerning the preparation of the Directory of Manitoba Agricultural Equipment Manufacturers and Related Expertise, or if you wish to receive The Manitoba Sourcing Directory or The Manitoba Export Directory, contact Trade Branch at:
